

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES OF WIRELESS ADVOCATES, LLC

The Debtor Wireless Advocates, LLC, executed an Assignment for the Benefit of Creditors on December 6, 2022 and the Stapleton Group was appointed General Receiver (the "Receiver") for the Debtor on December 8, 2022, in King County Case No. 22-2-20145-2 SEA (the "Receivership Case"). Since December 8, 2022, the Receiver has managed the affairs of the Debtor. Following the filing of the Involuntary Bankruptcy Petition against the Debtor on January 23, 2023 (the "Petition Date"), the Receiver has continued to manage the affairs of the Debtor pursuant to orders executed using its compliance from section 363 of the Code. Although the schedules provide for the reporting of assets and debts as of the Petition Date due to disposition that have occurred in the Receivership Case, the Debtor is relying on certain information provided by the Receiver, and certain assets and liabilities are reported based on information as of March 31, 2022.

The Debtor with the assistance of its legal and financial advisors, prepared the Schedules A through G and the Statement of Affairs for Non-Individuals Filing Bankruptcy (collectively the "Schedules") in accordance with 11 U.S.C. § 521. Dan Brettler has signed the Schedules. Mr. Brettler serves as the CEO of the debtor. In reviewing and signing the Schedules, Mr. Brettler has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtor and on information provided by the Receiver. Given the scale of the Debtor's business covered by the Schedules, Mr. Brettler has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors.

In preparing the Schedules, the Debtor relied on financial data derived from its books and records that was available at the time of such preparation as well as information provided by the Receiver. Although the Debtor has made every reasonable effort to ensure the accuracy and completeness of the Schedules, subsequent information or discovery may result in material changes to the Schedules. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtor and its directors, officers, cannot guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules.

For the avoidance of doubt, the Debtor and its agents hereby reserve its rights to amend and supplement the Schedules as may be necessary or appropriate, to modify, revise, or re-categorize the information provided in the Schedules and shall notify any third party should the information be updated, modified, revised, or re-categorized, as required by applicable law.

Global Notes And Overview Of Methodology

❖ Global Notes. These global notes (the "Global Notes") pertain to and comprise an integral part of each of the Debtor's Schedules and should be referenced in connection with any review thereof.

❖ Reservations and Limitations. Reasonable efforts have been made to prepare and file complete and accurate Schedules. However, as noted above, inadvertent errors or omissions may exist. In addition as noted in the Schedules themselves certain address and other information is missing. The Debtor reserve all rights to amend and supplement the Schedules may be necessary or appropriate. Any specific reservation of rights contained elsewhere in these Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

❖ No Admission. Nothing contained in the Schedules or the Global Notes is intended to be or should be construed as a waiver of the Debtor's rights to dispute any such claim or assert any cause of action or defense against any party.

❖ Recharacterization and Classifications. Notwithstanding that the Debtor have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules, the Debtor nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtor thus reserve all rights to amend its Schedules as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

❖ Estimates and Assumptions. As with the preparation of any financial statements the Schedules required the Debtor to make reasonable estimates and assumptions with respect to the reported amounts, including but not limited to amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of filing the Schedules, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ materially from such estimates.

❖ Causes of Action. Despite reasonable efforts, the Debtor may not have identified and/or set forth all of its causes of action (filed or potential) against third parties as assets in its Schedules The Debtor reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules should be construed as a waiver of any causes of action.

❖ Property Rights – Generally. Exclusion of certain property from the Schedules shall not be construed as an admission that the Debtor's rights in such property have been abandoned, terminated, assigned, expired by its terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain property in the Schedules shall not be construed as an admission that the Debtor's rights in such property have not been abandoned, terminated, assigned, expired by its terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

Methodology.

❖ Basis of Presentation. The Schedules do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP") nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules contain unaudited information that is subject to further review and potential adjustment. The Schedules reflect the Debtor's reasonable efforts to report the assets and liabilities

of the Debtor. The information provided in the Schedules is as of the close of business on the Petition Date, except as otherwise noted.

❖ Duplication. Certain of the Debtor's assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Schedules. To the extent these disclosures would be duplicative, the Debtor has endeavored to only list those items once.

❖ Net Book Value. Unless otherwise indicated, assets presented in the Debtor's Schedules represent estimates for the net book values as of the Petition Date. Market values may vary materially from values presented. The Debtor believes that it would be an inefficient use of estate resources for the Debtor to obtain estimates for the current market values of its property and other individual assets. Accordingly, the Debtor has indicated in the Schedules that the values of certain assets and liabilities are undetermined. The omission of an asset from the Schedules does not constitute a representation regarding the economic value or ownership of such asset and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset.

❖ Property and Equipment. Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtor leases equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules. Nothing in the Schedules, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserve all rights with respect thereto.

❖ Liens. The inventories, property, and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

❖ Setoffs. The Debtor periodically incurs setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes, including, but not limited to, settlements, pricing discrepancies, returns, warranties, refunds, and negotiations and/or disputes between Debtor and its customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtor's industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtor to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for and, as such, are or may be excluded from the Debtor's Schedules. In some cases the effect of netting may create an amount showing as owing on its receivables and correspondingly an amount shown as owing to it on its payables. In addition, some amounts listed in the Schedules may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware.

❖ Specific Schedules Disclosures.

The amounts shown on the schedules reflect asset values and debt balances as 3/31 rather than the Petition Date. This is how Wireless was instructed by the Receiver to complete the schedules,

- Schedule A/B Assets
 - Question 3.4 - 3.7 are bank accounts held by the Receiver rather than WA with bank balances provided by the Receiver.
 - Question 11(a) and (b). The amounts shown are estimates and subject to reconciliation as certain of the debtor's receivable as subject to set off in the ordinary course of the debtor's business as explained above in the section labeled "Setoffs".
 - Question 22. The liquidation value is based on the sale amount negotiated by the Receiver for these items
 - Question. 41. The liquidation value is based on the sale amount negotiated by the Receiver for these items
- Schedule E/F Unsecured Creditors.
 - Question 2. The Debtor believes all employees who were terminated prior to the Receivership Case were paid in full through the termination date. The amounts listed for employees are for wages owing during the Receivership Case. There may be additional claims by other employees who received Warn Notices but did not receive all 60 days of their Warn wages.
 - Entry 3.85. The amount shown for Stewart Lee represents rebates owed to individual Costco members that are processed by Stewart Lee. Wireless does not know the identities of the members to whom the rebates are owed. The amount shown on the schedules is based on the last billing from Stuart Lee plus an estimate of the rebates eligible for redemption in December 2022 and January 2023.
- Schedule G Executory Contracts and Unexpired Leases.
 - This schedule lists all contracts owed to the Debtor. In many cases the contracts consist of multiple parts and it is not clear to Wireless which of these contracts would be considered executory.
- Statement of Affairs for Non-Individuals Filing Bankruptcy

- Question 3. Shows all payments made in the 90 days prior to filing the receivership.
- Question 4. Shows all payments made in the 90 days prior to filing the receivership.
- Question 6. Setoffs in the ordinary course of the debtor's and respective creditor's business as explained above in the section labeled "Setoffs," are omitted.
- Question 10. The Debtor in the ordinary course reports all casualty losses to its insurer. The Debtor has requested its insurer provided it a report of all claims made within the past year but has not received it as of the date of these schedules.
- Question 30. Information is for one year back from December 8 not January 23.
